West-MEC partners with Avondale Toyota for successful auto show to help students in need of CTE programs

GLENDALE, Ariz. (Oct. 28, 2024) – Earlier this month, the West-MEC Alliance, an education foundation dedicated to enhancing career and technical education (CTE) experiences for students of Western Maricopa Education Center (West-MEC), held the West-MEC Alliance Show and Shine Car Show, in conjunction with the Buckeye Chamber of Commerce.

As this event grows, it will support the West-MEC Alliance’s goal to provide students in need with the opportunity to complete their chosen CTE course of study and achieve industry certifications.

The free auto show took place in the parking lot of Buckeye’s City Hall and featured food trucks, auto-related vendors, swag bags and raffle prizes. All 100 parking spots in the lot were fully occupied by passionate car enthusiasts who gathered to showcase their vehicles and share their love and passion for automobiles.

“This event provided an engaging experience that brought the community together, allowing everyone to connect, celebrate and have a great time,” said West-MEC Alliance Outreach and Fundraiser Coordinator, Angelo Rossetti. “We hope to make this an annual event to benefit the Buckeye community and help to support the causes of the West-MEC Alliance.”

Avondale Toyota sponsored the event and printed 300 event shirts to give out to participants and guests of the show. Avondale Toyota’s general manager, Kamal Charef, was an essential part of the success of the event, ensuring all elements came together seamlessly.
