

Greater Lawrence Technical School

January 9, 2023

Dear Parent or Guardian,

When students start the day with a healthy meal, they are more likely to retain what they learn in class, behave better, and experience better health outcomes. School breakfast is one of the best ways to ensure students receive a nutritious meal at the start of the school day.

Greater Lawrence Technical School offers second chance breakfast every morning to all students. Students can eat their breakfast in the cafeteria, after the school day has begun. The second chance breakfast time will now be served from 7:45 AM to 9:00 AM. All students are welcome to participate Monday through Friday.

If you would like more information, please feel free to contact me at 978-686-0194 ext. 5047 or mringland@glts.net.

Sincerely,

Mary Beth Ringland
Food Service Director
