

# How to Study "Effectively"

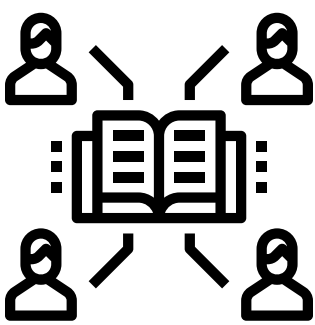

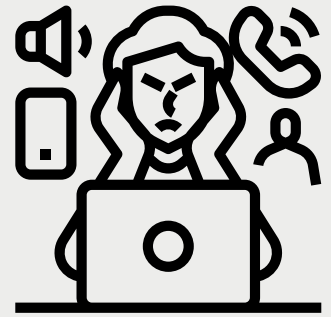

## Make a Study Plan

When making a study schedule, look at your planner and think about what needs to be accomplished.

## Steer Clear of Distractions

Be aware of what distracts you in class and know how to steer clear of these distractions.

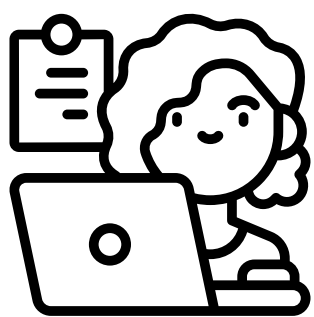

## Get Organized

Carry a homework planner at all times like entering homework, projects, tests and assignments, etc.

## Start Studying More Effectively

Get more out of your study sessions with a complete study toolkit including note taking template, tips, ect.

## Designate a Study Area

The best study spot is one that is quiet, well-lit, and in a low-traffic area.

## Simplify Study Notes

Make studying less overwhelming by condensing notes from class.
