

Online Dyslexia Learning Course

Title: Dyslexia: A TEA Professional Learning Course

The purpose of this course is to empower educators to serve and advocate for students with or at risk for dyslexia.

The course consists of four sections:

1. You will learn more about what dyslexia is and how it impacts student learning.
2. You will explore effective schoolwide practices for the identification and support of students with dyslexia.
3. You will learn more about how to support students with dyslexia in the classroom through systematic, explicit, and evidence-based instruction designed to meet the needs of students with dyslexia.
4. You will reflect on your learning, create a personal action plan, and review resources.

A participant handbook is provided to guide participant learning. Participants will receive 6 CPE credits for completion of the course. The continuing education hours earned through this online dyslexia course will allow participants to satisfy recertification requirements.

The Dyslexia course will be available from April 2, 2021 – April 8, 2022.
