

**Transportation Release Form:**

Greater Lawrence Technical School is responsible for transporting all athletes to and from all athletic contests. Athletes must take school-provided transportation unless prior agreements are made between the player, coach, caregiver and Athletic Director. No student is allowed to drive himself/herself to a game. Exception: Students who are on co-op may have to drive themselves to/from games but permission from the parent/guardian must in writing - and must be approved ahead of time

If a parent/guardian is going to drive their child to/from a game a 'Transportation Release Form' needs to be provided to the coach/AD 12 hours in advance. Only a contact on the student's Aspen account can drive the player. Co-op students can only drive themselves and not any other player/student. If there are other extenuating concerns about this policy the coach and parent can reach out to the Athletic Director
