

WHY US?

WHY CAPT D. SALINAS ACADEMY?

OUR MISSION AND VISION

Our Salinas STEAM Academy vision is for ALL students to reach the highest level of academic success through a rigorous and supportive learning environment that provides a quality education in accordance with state and national standards.

The administration, staff and community will strive toward excellence for students through community and unity. Students should endeavor responsibly with the same ideal to attain academic success within a safe environment conducive to student achievement.

S.T.E.A.M.

We are the only Elementary Campus to offer a STEAM program in all of Donna ISD with a full curriculum focused on Science, Technology, Engineering, Arts and Math in coordination with Project Lead the Way (PLTW).

SALINASVILLE

The motivation behind the Minimetropolis Program is to provide students with the social, academic, and real-life skills they need to be successful and responsible citizens while introducing them to different careers and community settings.
