

FAMILIES & SCHOOLS LOVE HOW OUR YOSHIMOTO O-G APPROACH TRAINING WORKS SEAMLESSLY WITH EXISTING CURRICULUM TO HELP KIDS GROW INTO SKILLED READERS.

OUR TRAINING TRANSFORMS HOW KIDS LEARN TO READ

### KIDS THRIVE WHEN THEY EXPERIENCE SUCCESS.

Implementing Yoshimoto Orton-Gillingham supports educators in developing skillful readers. Teachers use students and classroom data to guide instruction, which empowers them to meet the needs of all their students, from the most confident to the most challenged. The elements of quality instruction include the three levels of decoding and spelling: sound level, syllable level, and morphological level. Using the introductory morphology skills, the emphasis is on increasing vocabulary for all students, whether they access general education, targeted interventions, or special education support. Reading fluency and comprehension are goals and essential elements for every reader. Using the Yoshimoto Orton-Gillingham approach supports positive outcomes within the Common Core State Standards and is approved by the Colorado Department of Education.

Meeting Students' Needs since 1996

ARE YOU LOOKING FOR AN APPROACH THAT MEETS YOUR STUDENTS WHERE THEY ARE TODAY?

Our YOSHIMOTO ORTON GILLINGHAM approach is a data driven way to reach students (of all ages and learning styles) to achieve success.

OUR INSTRUCTORS ARE DEDICATED AND COMMITTED EDUCATORS, WHO SHARE A PASSION FOR QUALITY INSTRUCTION AND MAKE A DIFFERENCE FOR EDUCATORS AND KIDS.

## BUT DON'T TAKE OUR WORD FOR IT. HERE'S WHAT PEOPLE ARE SAYING...

Just wanted to share how my first grade class is doing because of OG. You will be happy to know that 90 % of my kiddos are reading and spelling above grade level - 2.5 and above. The rest are close to grade level. I was initially skeptical but now I am sold on Y-OG. . My friend who teaches second grade has seen similar results. She loves the reading fluency and comprehension techniques you taught us. “

— T.T. 2022

“Before our teacher started using Yoshimoto Orton-Gillingham my son was struggling and we were concerned about his progress. After they began Y-OG I could see him start to thrive, he started to “get it”. Thank you so much for this amazing instruction.”
