# THANK YOU!

Our Scholastic Book Fair was a HUGE success! Thanks to the great support from parents and students, our library will receive over \$1,500 worth of new books. Thank you to Mrs. Miller and her volunteers for their time and efforts, making the book fair possible.

## Picture Retakes

Legacy Photos will be visiting our school on **Wednesday, November 20th** to take pictures of students who were absent on picture day and retake pictures of students needing them. If you were not satisfied with your students photo, simply return the packet you purchased to school by the morning of **November 20th**. Your students photo will be retaken and a replacement packet will be created and sent. If you did not purchase photos because they were not to your satisfaction, but would like to, please send a note to the classroom teacher by the morning of **November 20th** indicating you would like your student's photo retaken.

## BRRRR... THERE'S A CHILL IN THE AIR

It looks like winter is just about upon us. Colder temperatures bring a need for winter wear. Dressing in layers is a great idea. Students participate in outdoor recess until the temperature and or wind chill reaches 0 degrees or below. If your child is in need of a winter coat, hat and or gloves, please contact the office or Nurse Becky.

## Parent Teacher Conferences

We are pleased to report 96% attendance at Parent Teacher Conferences this year. Communication between school and home plays a vital part in student success. We urge you to continue this communication throughout the remainder of the year. Please don't hesitate to reach out.

## School Spirit Shirts Available

Our student council is pleased to offer school spirit shirts again this year. Both t-shirts and hoodies are available. This is your chance to show your school pride. T-shirts will sell for just \$16 each and hoodies will be \$36. These make a great Christmas gift. Shirts are being created locally by Crowder Designs. All proceeds will go to support Student Council with their school improvement projects. Watch for order forms coming home today!

## PARENT SURVEY

A parent survey was sent out to parents and guardians, via Infinite Campus, earlier this week. If you have not yet completed this school climate survey, please do so by **Friday, November 22nd**. Only one survey needs to be completed per family. If you were not contacted with a link to the survey, please reach out. The survey is brief and covers topics such as safety, learning, policies, communication, and belonging. School staff completed a similar survey earlier this month, and community members will be given the opportunity to complete a survey soon. These surveys will give us a better picture of our school climate. We appreciate your time and input!
