

DEER VALLEY
Unified School District

Dear Parent / Guardian,

We wanted to provide you information about an additional, free benefit that may be available for your student. The Transition from School to Work (TSW) program is a free program offered by Deer Valley Unified School District in partnership with Rehabilitation Services Administration. This program will provide opportunities for career exploration, job readiness, post-secondary/vocational training, and preparing for life beyond high school.

In order to participate in TSW, your child must be determined eligible for Vocational Rehabilitation (VR) services. The first step in this process is filling out and signing some forms required by the state. The forms are a Release of Information form, Referral form, and Questionnaire. These forms are included along with information about the process and program. If you are interested in exploring this opportunity for your student, please complete the forms and either email them back to us, leave them with your student's counselor, or have your student drop them off in our classroom (102A in the Library). We will then forward your packet to VR and they will reach out to schedule an intake meeting with you (often by Zoom). Please feel free to reach out to us with any and all questions you may have!

Boulder Creek HS

40404 N Gavilan Peak Pkwy
