**San Juan Unified School District
SJUSD American Indian Education Program
Parent Advisory Committee Meeting**

AGENDA

**Wednesday, November 13, 2024 6:00 - 7:00 PM
District Office Conference Room A**

**SJUSD
American Indian Education Program
Parent Advisory Committee
Mission Statement**

The Parent Advisory Committee (PAC) is a committee of American Indian/Alaska Native (AIAN) parents, families, students, teachers and community, entrusted to promote the local American Indian community.

We are dedicated to supporting quality education that is accessible to AIAN students and families within San Juan Unified School District and that empowers students to achieve academic success that honors culture, traditional languages, and values.

The Parent Advisory Committee (PAC) does this by providing academic support and culturally specific activities, promoting post-secondary opportunities, and advocating for services and resources that enhance the delivery of culturally responsible education.
