

Articulated Credit

Credit is awarded by the college listed. Students must enroll at that college within 27 months following high school graduation. The student is responsible for making sure the credit is received at the college.

MCHENRY COUNTY COLLEGE			
D200 Course Title	D200 Credits	MCC Course Title	MCC Credits
AC Introduction to College Algebra	10	Elementary Algebra (MAT 095)	3
		Intermediate Algebra (MAT 099)	3

Dual Credit

Credit is transcribed at both the high school and college listed. Students will need to request a transcript from the college listed if they are hoping to transfer to a different institution. MCC charges a fee of \$25.00 for each DC course.
