ACADEMIC STIPEND NOTES

The positions listed on pages 27-28 will be paid from a Stipend Allocation for the school year. Positions not currently listed must have prior approval of the Chief Administrative and Human Resources Services Officer before the stipend can be paid.

NOTE: The stipend budget allocation is not sufficient to cover all of these positions, so principals will need to choose the positions for their schools very carefully.

Non-Exempt Employees may not be paid Stipends. Hours worked beyond 40 per week will be compensated either on time-and-a-half or blended overtime rate and will be paid on a timesheet.

Certified Staff stipends will be paid in two (2) installments: (1) payment in December and (1) payment in May.

Student Activity Funds and Booster Club Funds cannot be used to pay Academic Supplements.

ATHLETIC STIPEND NOTES

Athletic supplements are paid for work performed during the "approved" season dates as set forth by the South Carolina High School League schedules.

Coaches who do not start on the first day of practice for that sport will have their stipend "PRO-RATED" for the number of days remaining for that sport in accordance with the South Carolina High School League's Sports Season Calendar.

The effective date of pay will be the date our Human Resources Department provides the Athletic Coach and Athletic Director with an email notification stating the Athletic Coach has completed our required new hire documentation and is now cleared to coach.

Supplements may not be used to add to individual's salaries for duties that are part of the current job responsibilities.

Athletic Directors at the high school level will not coach and will not be paid athletic supplements. However, Athletic Directors may provide assistance, in a coaching capacity, with the various athletic teams in order to ensure the program's success. Any coaching assistance provided will not be entitled to receive the athletic stipend for that program.

High School Head Football Coach and High School Head Basketball Coach positions will be paid the athletic supplement over 26 paychecks during the school year. Principals and Athletic Directors will identify the Head Football and Head Basketball coaches each year and notify Human Resources by memo, co-signed by the Principal and Athletic Director, by July 1.

The athletic positions are paid from a stipend allocation for the year. The stipend budget allocation is not sufficient to cover all positions listed. Principals will choose positions for athletic staff carefully. Positions filled within the school are to be paid this amount. Positions shall not be divided. Schools may use these funds for other positions with prior approval of the Chief Administrative and Human Resources Services Officer. No stipends will be paid for activities during the school day.

If the positions of *Admin Support/Eligibility Coordinator, Athletic Study Hall Coordinator, Athletic Directors (Middle Schools) and Assistant Athletic Directors* are filled by Classified employees, timesheets are required and they will be paid according to the established payroll schedule. Hours worked by Classified employees beyond 40 per week will be compensated at **\$15.76 plus applicable overtime.**

ATHLETIC STIPEND NOTES

The high school Varsity Head Football Coach, Varsity Head Boys Basketball Coach and Varsity Head Girls Basketball Coach "MUST" be a full-time Certified or Classified employee of Beaufort County School District. The Chief Administrative and Human Resources Services Officer may waive this requirement at the Principal's request.

High School Head Cross Country Coach position may be combined (boys & girls). If combined, a second assistant is allowed. If not combined, a maximum of four coaches is allowed for cross country.

High School Head Track Coach position may be combined (boys & girls). If combined, a third assistant is allowed. If not combined, a maximum of six coaches is allowed for track.

Athletic stipends will be paid on the following schedule:

- Fall sports: September and October (4 installments)
- Winter sports: December and January (4 installments)
- Spring sports: March and April (4 installments)

NOTE: Due to inclement weather conditions that may cause the district to close, i.e., hurricane evacuations or snow days, the stipend payment schedules will be adjusted in order to allow our Payroll Department the time needed to generate the stipend payments.

Student Activity Funds and Booster Club Funds cannot be used to pay Athletic Supplements.

PLAYOFF GAMES AND PLAYOFF PRACTICES

High school playoff games and playoff practice days will be paid at a rate of **\$50.00 per day**. A memo to Human Resources must indicate the Coaches Name, Employee Number, School Name, Date for Playoff Practices and Games; and Total Amount to be paid for each athletic staff member participating in playoff games and practices. The memo must be signed by the Principal and Athletic Director.

Athletic Directors must submit a playoff schedule for each sport requesting payments. Payments will not be made until all required information is provided.

Beginning with the 2024-2025 School Year, Head Football Coaches are entitled to receive the \$50.00 per day playoff stipend.

Athletic Coaches Assignment Restrictions

In order to maintain the integrity of our athletic programs within the district, our decision has been made to limit how many positions an Athletic Coach can hold during each of the three (3) Athletic Seasons.

Effective immediately, an Athletic Coach can only be assigned to one (1) position at one (1) school during each of the three (3) Athletic Seasons.

This means that an Athletic Coach can no longer be assigned to multiple positions at one school and/or they can no longer be assigned to one position at the High School and one position at the Middle School during each of the three (3) Athletic Seasons.

However, the school's Athletic Director may submit a waiver request of this restriction to the Director of District Athletics. The Director of District Athletics will then present the details of the waiver request to the Chief Administrative and Human Resources Services Officer for approval.

Only the Chief Administrative and Human Resources Services Officer has the authority to approve the waiver request.
