

MOUNT SI HIGH SCHOOL YEARBOOK

SENIOR TRIBUTES

Share your pride and make a lasting memory with a senior tribute in your child's yearbook!

Senior year is a milestone for teenagers—and their parents. It is the culmination of 13 years of schooling and countless hours of hard work, patience and struggle. As your student walks toward graduation, a senior tribute ad in the yearbook is a great way to acknowledge his or her success, and your pride. In the future, seeing your message will bring a smile and memories of your love and support.

It's easy to create a tribute ad. You have two options for ad creation: using the yearbook company's pre-designed templates to design your own ad or uploading an ad you've created yourself using graphic design software like Canva. Yearbook staff members can even help you create your own ad at our Senior Tribute Work Night on Dec. 4.

Grad ads start at just \$50! This is truly an economical way to send your student a lasting message of your pride, love and congratulations.

To reserve a space for your special recognition, please respond by **Dec. 15, 2024**. Please be aware that we have a limited number of pages available for ads, and that space is sold on a first-come, first-serve basis.

If you have any questions, please feel free to contact us at 425-831-8061 or email our adviser, Susan Holihan, at holihans@svsd410.org

MOUNT SI YEARBOOK SENIOR TRIBUTE ORDER FORM

DEADLINE: DEC. 15, 2024

SENIOR TRIBUTE ORDERING INSTRUCTIONS

INSTRUCTIONS HAVE CHANGED FROM PREVIOUS YEARS!

To purchase an ad, follow these easy steps:

1. Go to **www.yearbookforever.com**
2. Search for Mount Si High School and click on the school name.
3. Provide the requested information--name of student, grade and your contact information
3. Select on the size ad you would like to purchase. Prices are as follow, and include service fees.
1/8 page ad: \$50 1/4 page ad: \$95 1/2 page ad: \$155 Full page ad: \$260
4. Select how you would like your ad to be designed. Your options are as follows:

Option 1: Design your own ad by choosing a pre-designed template using the yearbook publisher's online software. It's super easy! You pick the template from the options for the size ad you select, upload your photos and then place them in the boxes of your choice. Type in your message and customize other text boxes. You can pick fonts, text color and even a background color! Please note that photos will need to be uploaded in JPEG, TIFF, HEIC or PNG format.

Option 2: Upload a pre-designed ad that fits the measurements below You can design your own ad in Canva or in any other graphic design software, or you can purchase a template on a site like Etsy.

1/8 page: 285 pixels by 175 pixels (4 x 2.5 inches)

1/4 page: 285 pixels by 357 pixels (4 x 5 inches)

1/2 page: 576 pixels by 357 pixels (8 by 4.95 inches)

Full page: 576 pixels by 720 pixels (8 by 10 inches)

Please note that most yearbook ad templates for sale on Etsy are not these exact sizes. We will proportionally shrink the ad to fit in the ad space without trimming important elements. This may result in wider than normal margins around portions of your ad or may result in trimming of outside borders on your ad to make it fit the space

In Canva, You can make a custom-sized project based on the size of the ads and then search for photo collage, photo grid or photo collage card for templates that will work, or create one from scratch. We recommend Canva because it's easy to use and your student has free access to the software through ClassLink.

If you choose to upload a pre-designed ad, you will need to upload your completed ad to yearbookforever.com in JPEG, TIFF, HEIC or PNG format--NOT PDF.

5. Submit payment online at www.yearbookforever.com when you are finished with your ad.

Note: ad prices do NOT include a copy of the yearbook. Yearbooks will be on sale again in December. All ads are subject to approval by the yearbook staff. Photos must be in good taste, and copy must be free of libel and obscenity and not be offensive.
