

## **Fairview Alternative High School Parent and Family Engagement Plan**

### **School Year: 2024-2025**

Fairview Alternative High School is committed to the goal of providing quality education for every child in this district. We want to establish partnerships with parents and with the community. Everyone gains if school and homework together to support high achievement of our children. We can't do this job alone. Parents and families play an extremely important role as children's first teachers. Their support for their children and for the school is critical to their children's success at every step along the way.

#### **Part I. Description of how the District and School will Implement Required Components**

1. Fairview Alternative High School will engage parents and families who have Title I students in developing/revising the district and school policy.
2. Fairview Alternative High School will convene an annual meeting, at a convenient time, when the parents and family members of participating children are available to attend. The Title I annual meeting will inform parents/families about the Title I program, explain the requirements of parent and family engagement and the rights and responsibilities of the parents to be involved.

The annual meeting will be held on October 3rd in person. If families cannot attend, a Zoom meeting will be held for individuals if needed.

Title I Family Plan will be available to all families at each of our 5 Family Nights/conferences throughout the school year.

3. Fairview Alternative High School will offer flexible meeting times during morning, during the school day, evening or weekends and may provide transportation, childcare or home visits. If families cannot attend our open house, a Zoom meeting will be held for individuals if needed.

4. Fairview Alternative High School will involve parents/families in the planning and review of the school improvement plan and the joint development of the schoolwide plan when applicable. If the schoolwide plan is not satisfactory to the parents, submit comments on the plan when submitted to the district. [Section 1114(b)]

**Part II. Description of the Shared Responsibilities for High Student Academic Achievement**
