

Rapides Parish Schools

Title I E.S.S.A.

District Parent and Family Engagement Policy

The purpose of the Rapides Parish School District Title I Parent, Family, & Community Engagement Program is to support the strengthening of student academic achievement, assist families, and schools to provide the necessary resources and tools to help students arrive to school ready to succeed.

The Rapides Parish School District's aim is to include parents/caregivers in all aspects of the District's Title I Program. The goal is a strong home-school partnership with principals, teachers, support staff, parents/caregivers, and the community that will help all students in the district to succeed.

It is the Rapides Parish Title I District Parent and Family Engagement Policy to:

Have a meeting at the district level to inform parents about their rights to be involved in the Title I Program.

1. At the beginning of the year , the District Parent & Family Engagement Coordinator will recruit Parents/caregivers, from Title I schools and host monthly meetings with District Parent Advisory Members.
 - A. All schools will submit the names, addresses, and contact information of two to three parents/caregivers to District Coordinator to attend quarterly district level "Parent Advisory Council" meetings September, November, December, February, April, and May during the 2024- 2025 school year. Parents/caregivers attendance at meetings will be tracked according to "Feeder Schools." (updated)
 - B. Each meeting, parents will be contacted by letter informing them of each meeting date, time, place, and topic of discussion according to the agenda of the meeting. (updated)
 - C. At the beginning of each school year, all schools will receive a poster, flyer, and applications of the "District Parent Advisory Council" schedule. Schools are required to post the (PAC) schedules for parents/caregivers to see. Flyers should be passed out to parents during school activities or sent out electronically through various sources of social media platforms. (updated)
