Data Reflections Grades 3-6

- We are in a rebuilding stage
  - our 3rd and 4th graders are now taking the CAASPP and they were the most impacted by online and hybrid instruction
- Students not meeting or exceeding are identified
  - 88 students currently receiving Tier 2 intervention in math
  - 76 students currently receiving Tier 2 intervention in reading
  - 70 students with IEP's (including speech) receiving Tier 3 interventions
  - 13 students are receiving specialized ELD instruction
- 35% of our 4th graders that "nearly met" in math right on the cusp
  - Currently 33 of those students are receiving math support
- Number of students with IEPs has gone up by 22 over two years
- Second year of iReady
- Team approach to science instruction
- Orton Gillingham trained teachers and Instructional Aides to support reading
- Putting more focus on vocabulary instruction
- Continued efforts to improve absenteeism

Cardiff School

- Focused literacy instruction happening K-2
  - Literably
  - Orton Gillingham
  - Expanding small readers collection to include above grade level books
  - iReady
  - Targeted instruction and intervention for math and reading

Next Steps

- Continue focused instruction and in all areas
- Remain highly collaborative to support all learners with targeted areas of need
- Stay committed to continuous improvement
- Dashboard will be released in December
    - Data is still embargoed but I can share that we improved in chronic absenteeism, suspension, and met all local indicators
