## MATER DEI CATHOLIC WEBSITE

**For more than 60 years, Mater Dei Catholic has represented generations of high-achieving student-athletes driven by faith and service.**

Our legacy of giving goes back to the Eggers family’s donation of land. That initial gift has now evolved into our current state of the art 50-acre campus and facilities in the South Bay.

Thanks to your support, Mater Dei Catholic will remain the city’s leading contemporary learning institution, inspiring decades of leaders as they transition from our halls into the nation’s most respected universities and programs.
