NOTICE OF SINGLE SOURCE PROCUREMENT

Posted: November 15, 2024

In accordance with Florida Department of Education Rule 6A-1.012 Purchasing Policies, the Hendry County School District requests prospective vendors to provide information regarding their ability to provide the product and services described in this notice on or before November 25, 2024. This notice will be posted for seven (7) business days.

Product and/or Services required:

The Lincoln Electric Company

Lincoln Electric designs and installs for its customers exclusive and custom-engineered solutions for weld fume control. These weld fume control systems are engineered by Lincoln Electric's experienced and highly trained personnel to meet each customer's specific needs and contain a unique combination of mechanical and electrical components, the majority of which are manufactured and assembled at Lincoln Electric's own facilities. Lincoln Electric's weld fume control products and customized design services provide customers with weld fume control systems available exclusively from Lincoln Electric.

Prospective vendors should direct any information or questions to:
