Black Student Association Presents: Pack The Pantry!

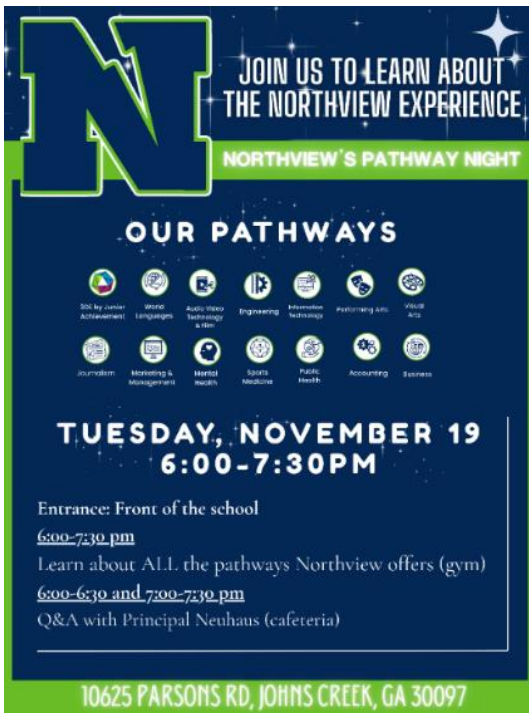

We are supporting South Fulton elementary school students with items that the students can access on their own for nutrition during the upcoming break from school. For many students, school is their most reliable source of food, so a school break can be very difficult. **Please donate the following items: juice, cereal, snack foods, peanut butter, jelly, crackers, canned tuna or chicken, soup, microwaveable macaroni and cheese cups, fruit cups, granola bars etc.** Last year,

Northview collected over 800 items that benefitted 6 Fulton County Schools. Help us to beat that number this year!

Beta members will receive volunteer hours for every 5 items donated.

Items can be dropped off in the counseling suite or front office until November 19.
