

**River Valley Local Schools**  
**Student Wellness and Success Funds - Spending Plan**  
**2024-25 School Year - FY25 Plan: \$306,431.35**

Student Wellness and Success Funds were used to pay for our School Guidance Counselors at the Middle and High School and for our Student and Family Support Liaisons at both Heritage and Liberty Elementary Schools. Both the School Counselors and Student and Family Support Liaisons provide critical support to our students and are a conduit to families and other service providers. The Student Wellness and Success Funds have allowed River Valley Local Schools to provide much needed support and resources to our student body.
