

Dear TCA Family and Friends,

TCA's Board of Directors would like to share some highlights from our November 11th Board meeting:

Celebrate TCA

TCA's recent Adopt-A-Book Fundraiser was held at each elementary on Grandparents' Day. Through a generous adoption of books, we were able to raise \$23,000 to support TCA's libraries. In the Boardroom on Monday, our elementary students proudly showcased these adopted and dedicated books during "Celebrate TCA." With the help of our grandparents, we are nurturing a love for reading and building a legacy for our young learners.

Accreditation, Assessment, and Achievement

Wes Jolly, Director of Academic Services, gave the annual TCA report on Accreditation, Assessment, and Achievement. Mr. Jolly highlighted that in the 39 assessed areas, TCA exceeded ASD20's scores in 37 areas and finished 1st or 2nd within the district in 27 of these areas. TCA received the highest rating for accreditation, and our achievement measures continue to be excellent. Mr. Jolly shared that in his twelve years as Director of Academic Services, when looking at the totality of TCA's academic results, 2024 would rank as the best year yet. A huge thank you goes out to our leadership team, educational philosophy teams, teachers, students, and parents for their dedicated efforts.

D20 Bond

We're thrilled to report that District 20's Bond initiative 4B has passed. With the passing of this bond, TCA will receive \$9.48 million dollars to go towards upgrades at the East Campus and LED lighting on all campuses. Soon, the board will be forming a Capital Construction Committee to start the next phase of planning for this project. Stay tuned for more details.

As always, if you have any questions or comments, please email the board at talk2tcaboard@gmail.com.

Have a wonderful Thanksgiving,

Laura Moffat
Board Secretary
