Process for Participating in Westerville City School District Extracurricular Activities

Home Educated Students

Visit www.wcsoh.org and click on "Enroll Your Child" to determine the documentation necessary to verify residency within in the Westerville City School District (WCSD) boundaries.

Email the two proofs of residency documents to the our Enrollment Center's email: welcome@westerville.k12.oh.us OR bring them to our office at 300 Polaris Parkway Suite 280 (inside the Ohio Health building). Enrollment Center staff will verify your residency is within WCSD attendance boundaries and identify the assigned school at which your student will be permitted to participate.

Review the list of offered activities posted from Teaching & Learning website page. Contact the principal at the assigned school to discuss the extracurricular activity in which your student would like to participate., & then meet with the coach/advisor of that activity at the assigned school

Complete and submit to the coach/advisor all forms necessary for participation, depending on the activity (e.g., Physical Form, Emergency Contact/Medical Form, Concussion Form, Grade Eligibility Form, etc.) and submit any fees associated with the activity. Enjoy participation with the WCSD!

(Office Use Only)

Note that the Enrollment Center does not officially enroll the student but confirms within the PowerSchool student database that the student is allowed to participate in extracurricular activities. The assigned school will confirm that the Home Education Packet has been verified by the district.

Private School Students

Visit www.wcsoh.org and click on "Enroll Your Child" to determine the documentation necessary to verify residency within in the Westerville City School District (WCSD) boundaries.

Email the two proofs of residency documents to the our Enrollment Center's email: welcome@westerville.k12.oh.us OR bring them to our office at 300 Polaris Parkway Suite 280 (inside the Ohio Health building). Enrollment Center staff will verify your residency is within WCSD attendance boundaries and identify the assigned school at which your student will be permitted to participate.

Review the list of offered activities posted onTeaching & Learning webpage If the private school DOES NOT offer the activity you'd like to participate in, contact the principal at the assigned school, & then meet with the coach/advisor of that activity at the assigned school.

Complete and submit to the coach/advisor all forms necessary for participation, depending on the activity (e.g., Physical Form, Emergency Contact/Medical Form, Concussion Form, Grade Eligibility Form, etc.) and submit any fees associated with the activity. Enjoy participation with the WCSD!

(Office Use Only)

Note that the Enrollment Center does not officially enroll the student but confirms within the PowerSchool student database that the student is allowed to participate in extracurricular activities. The assigned school will verify enrollment with the student's private school and that the private school does not offer the activity in which the student wishes to participate.
