### Title1 Parents' Right-to-Know

Date: 8/30/2024

Dear Parent/Guardian,

At Mabel Brasher Montessori, we are very proud of our teachers and feel they are ready for the coming school year to provide your child with a high-quality education. As a Title 1 school, we must meet federal rules related to teacher qualifications as defined in the Every Student's Succeeds Act. These rules allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- whether the teacher met state qualifications and certification requirements for the grade level and subject that he/she is teaching
- whether the teacher received an emergency or conditional certification through which state qualifications were waived
- what undergraduate or graduate degrees does the teacher hold, including graduate certificates, additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes ensuring that all our teachers and paraprofessionals are highly skilled.

If you're looking for ways to stay engaged in our school community, you can view our Schoolwide Plan, School Family Engagement Policy, and School-Parent Compact on our new website, which launches in January 2025. You can find us on Facebook too!

If you have questions about your child's assignment to a teacher or paraprofessional, please contact me at 318-442-0878.

Sincerely,

Karen Berlin  
Principal
