I.S. Families,

The next few weeks will fly by. We have 7 more instructional days before Thanksgiving Break and a total of only 13 instructional days in December. The Intermediate School teachers will make the most of this time and continue teaching engaging and meaningful lessons. In the month of December, we will have several special events connected to Christmas and the Holiday Season. I will send messages to keep you informed about these events.

I would like your feedback on how you feel our departmentalized approach to Science and Social Studies instruction is going. I have attached a link to two surveys below. Please consider completing them to provide your thoughts/feedback. One survey is for parents of 5th grade students only and the other is for parents of 3rd and 4th grade parents. I created a short survey for our 5th grade students for them to provide feedback. This will be given to students next week by the 5th grade teachers.

3rd and 4th Grade Parent Survey: <https://forms.gle/GmifbbKDJfHVugoy6>

Today we celebrated MP 1 with our ROAR Grade Level Assemblies. Students at each grade level were recognized for their achievement through different awards. We talked about goals students achieved and new goals they set for themselves.

Parent Drop Off/Pick Up Reminder: Please do not pass cars in the drop off/pick up line. Make sure your child is entering/exiting your car from the passenger side. This is for safety reasons.

Yearbooks are on sale. They need to be ordered online. Yearbook sales close on March 7, 2025. Students received a flyer with information about ordering yearbooks. A copy of this flyer is posted on the I.S. website.
