

transcarent

1st

You discover you need surgery

This would be with your primary care physician or another provider. If you experience an accident or your surgery is an emergency, Transcarent probably won't work.

2nd

Call Transcarent or Download the App

3rd

Transcarent will schedule your surgery

They will look for the best facility and surgeon, and you will be provided a list of available surgeons and dates.

4th

If you have your surgery outside of Monterey County, you may be eligible for a rebate incentive payment.

Benefits of Using Transcarent:

No cost to you for surgery

Reduced charges to MCSIG

Surgery coordinated by Transcarent

Convenient and easy to use

Please contact Transcarent if you are in need of surgery!
