FUND THE FALCONS

PIE is kicking off the 'Season of Giving' with a unique donation drive! *Why is our donation drive unique?* Because YOU get to decide what your donation supports.

Scan the QR code, select our donation drive link and then choose what category you'd like to donate to. Not sure which category to select? No worries, you can donate towards our general fund! Whatever you choose, know that your contribution is valuable and these funds make PIE's mission possible!

Our cumulative goal is \$10,000 (*that's \$15 per student!*). If we reach our goal, PIE will purchase a FALCON MASCOT for BMS to use during spirit events, games, concerts, activities, etc. AND we'll hand out popcorn to all students! So get in the spirit of giving and show your school spirit by making a donation today!

Our donation drive runs **November 18th - December 6th!** Looking for a non-profit this Giving Tuesday (December 2nd)? Please choose PIE! And tell your friends and family.

LYNCH CREEK FARM

Looking for FALL and WINTER decor? Look no further! Lynch Creek Farm has it all. The best part? You can support BMS PIE and a local business with just one purchase!

That's right! Our annual partnership with Lynch Creek Farm is back. Follow the QR code to make your purchase between **November 1st - December 15th** and it will be automatically counted towards our fundraiser. Your order will even ship right to your door. It's so easy!
