PROJECT MOMENTUM TRAILBLAZER SPOTLIGHT

Deana Stringfellow

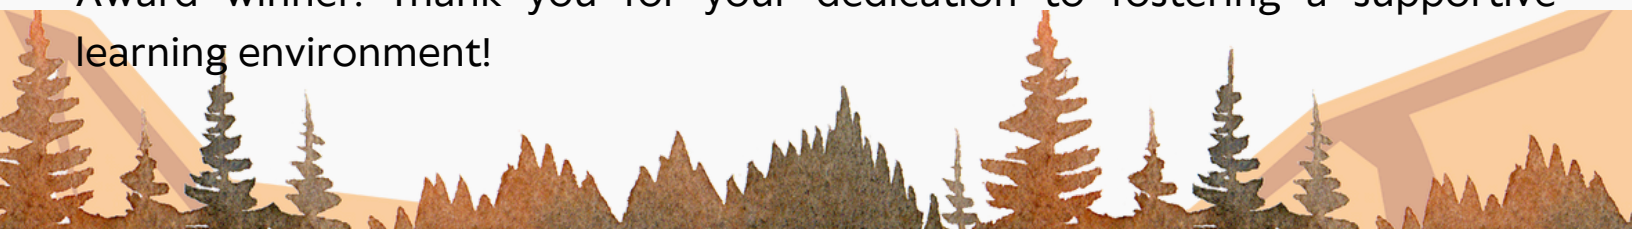

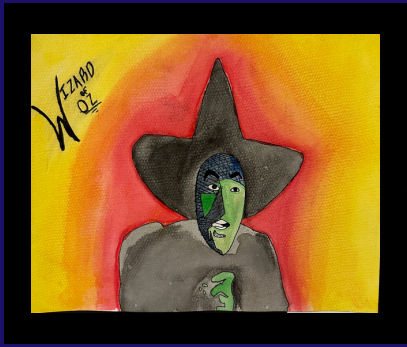

We're excited to recognize Deana Stringfellow, a special education teacher at Bradshaw Mountain High School, for her exceptional dedication to student success is truly inspiring. Deana recently launched an Algebra Foundations class to support struggling students, helping them build the skills and confidence needed for success in math.

She integrates Dr. Dan's Thinking Routines and Diamond Board objectives to enhance critical thinking and collaboration. Deana's commitment goes beyond her own students, as she works to ensure all students have the resources they need to thrive.

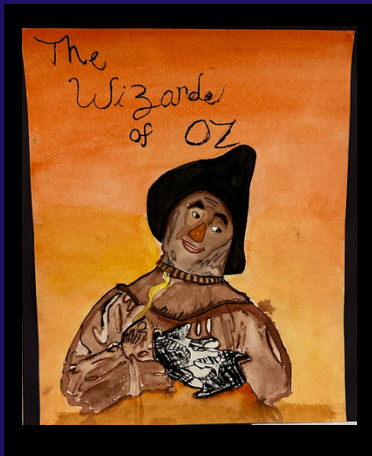

Special thanks to Principal Rick Bradshaw and Assistant Principals Jantina Russell, Donte Edmundson, and Clarinda Weatherwax for their ongoing support, which empowers teachers like Deana to innovate and make a difference.

We are proud to celebrate Deana as this week's Project Momentum Trailblazer Award winner. Thank you for your dedication to fostering a supportive learning environment!

The Wizard of Oz -inspired artwork created by BMHS art students was a true highlight at last night's production! Mr. Uftring's and Ms. Davis's classes showcased their incredible talent with a stunning display at the entrance, setting the stage for a magical experience.

ctober COMMUNITY KINDNESS PROJECT

Mountain View students are spreading warmth and kindness this season! During their "SOctober" Community Kindness Project, the 5th grade classes collected an incredible 467 pairs of socks! As a fun reward, Principal Kim Grant embraced the spirit of the fundraiser and spent the day in a chicken costume. What a wonderful way to celebrate the generosity and enthusiasm of our students!
