## 2024-2025 Family Engagement Policy/Plan

Principal: Cameron Ramirez; Kristin Harris: Assistant Principal

Distributed on curriculum night and included in the weekly parent newsletter 8/20/24, 8/27/24.

### Title I Family Engagement Program

Lakewood Elementary School is committed to our vision: *Empowering Today to Excel Tomorrow*. We work hard to provide a high-quality education for all of our students, Pre-K-6<sup>th</sup> grade, and to develop and maintain meaningful relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.

### Communication is Key!

We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome. If you need language interpreter/translation assistance, please go to <https://bit.ly/heblang>.

### Home-School Compact

Lakewood Elementary School believes that schools, families and students must all share responsibility for student achievement. Therefore, we will provide all families with a Home-School Compact explaining how each of us can do our part to ensure student success. This compact will be reviewed and revised as needed at the Parent Advisory Committee Meetings in May.

### Funding

Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities and procedures will be planned and implemented with meaningful input from the parents and families at our school.

### Review

### Programa de Participación Familiar Título I

La Escuela Primaria de Lakewood está comprometida con nuestra visión: *Empoderando hoy para sobresalir mañana*. Trabajamos arduamente para brindar una educación de alta calidad para todos nuestros estudiantes de Pre-K-6<sup>to</sup> grado, y desarrollar y mantener relaciones significativas con las familias y la comunidad.

Una forma en que continuamos haciendo esto es participando en el Programa Estatal Título I, Parte A. Este programa proporciona fondos para escuelas de bajo nivel socioeconómico. A cambio, prometemos cumplir con las expectativas establecidas para nosotros por la Agencia de Educación de Texas y el Departamento de Educación de los Estados Unidos.

### ¡La Comunicación es Clave!

### Pacto entre el Hogar y la Escuela

La Escuela Primaria de Lakewood cree que las escuelas, las familias y los estudiantes deben compartir la responsabilidad del rendimiento estudiantil. Por lo tanto, proporcionaremos a todas las familias un Pacto entre el Hogar y la Escuela que explica cómo cada uno de nosotros puede hacer su parte para garantizar el éxito de los estudiantes. Este Pacto será revisado y modificado según sea necesario en las reuniones del Comité Asesor de Padres en mayo.
