STUDENT SHOWCASE | STACEY MIDDLE SCHOOL

Stacey Middle School's Associated Student Body (ASB) and Advancement Via Individual Determination (AVID) programs have been actively engaged in a variety of events this year, enhancing school spirit and academic achievement. Highlights include the Fall Fest Movie Night, Pep Rally, Aloha Dance, and the Battle of the Homerooms, all designed to promote community and collaboration among students. The AVID program specifically focuses on critical thinking and active engagement, utilizing WICOR strategies to support student success and prepare them for higher education. Through these programs, SMS empowers students to take on leadership roles while promoting a culture of academic excellence and community involvement. BUSINESS DIVISION | SUMMER PROJECT & HVAC MODERNIZATION UPDATE

The Business Division provided an update to the Board of Trustees on the Summer 2024 projects and HVAC modernization. In addition to over 125 maintenance projects, such as roofing, drainage, and playground improvements, the district also completed several modernization projects, including kitchen upgrades and HVAC modernization. The kitchen upgrades included installing new equipment at five elementary schools, while the HVAC modernization included new HVAC units, ducting, ceilings, fire alarms, paint, flooring, lighting, wall tack panels, and dry erase boards at three elementary schools.
