

Volunteer Opportunities Teens 15-18

SPACE FOUNDATION
DISCOVERY
CENTER
4425 Arrowswest Dr
Colorado Springs, CO 80907

Join our Volunteer Team as a Junior Docent!

Volunteer in a team-friendly environment with like-minded volunteers and staff who enjoy sharing knowledge about space and science!

- Learn more about STEAM
- Gain professional experience perfect for applications and resumes
- Build invaluable skills for any career field

As a fun bonus, your immediate family members receive free Discovery Center admission and get to see where you volunteer!

Volunteer Positions

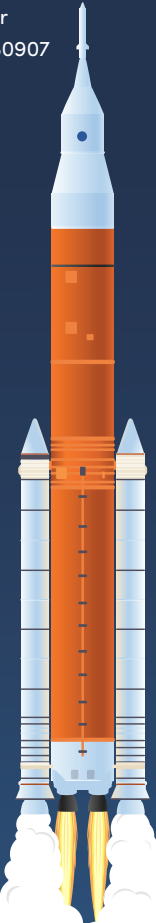

Training is provided for all museum areas, including shifts paired up with a mentor volunteer!

- Museum Gallery Docent
- Mars Robotics Lab Support
- Drone Zone Support
- Science On a Sphere® Presenter
- Additive Manufacturing Space Lab Support

Eligibility: Volunteers must be at least 15 years old, volunteer a minimum 1x/month for 3 months, and pass a background check (18+).
