

EAGLE NEWS

Anderson Island Elementary

November 15, 2024

Good afternoon Eagle Families,

It was a fantastic week at school, and I'm so proud of how hard our students are working! We have some exciting events coming up that I'd like to share with you.

Next Thursday, November 21, we'll be conducting a Shelter in Place Drill. This drill helps ensure our students and staff are prepared and aware of our safety procedures.

Additionally, we are thrilled to invite you to our Title I Family Engagement Thanksgiving Potluck on Wednesday, November 27, from 10:30-11:30 a.m. This is a wonderful opportunity for you to see what we're working on in phonics and reading instruction. We'll also be providing resources to support your child's learning at home over the Thanksgiving holiday.

I hope you all have a restful weekend ahead. I encourage you to get outside, relax, and maybe even pick up a good book. One of my favorites when I was in school was Mike Mulligan and His Steam Shovel—perhaps one of you will give it a read!

Enjoy the weekend, everyone, and I'll see you all on Monday.

Warm regards,

Mr. Miller

News from the Classroom

This week flew by way too quick! We started practicing for the winter performance. 2nd and 3rd grade students will perform Snowmen at Night and might need your help at home practicing lines. Please be on the lookout for scripts in their backpacks. We are also planning an evening of winter and holiday songs. Save the date: Dec. 18th @ 5pm (more details to come).

I'm seeing an influx of sleepy children in the classroom. With the clocks falling back, it's a good time to re-establish sleep routines.

As we get closer to the holiday season, please let me know if your student will be absent so we can plan accordingly with lessons and activities.

Have a great weekend and see you Monday morning!
