Question:

My company is bidding as a sub on the pool scope, so the job walk isn't mandatory for me. I have a previous commitment in Riverside that date at 10:00 so while I normally would attend the walk to take pictures of the pool and equipment room, I am unable to do so. Is it possible to get access to the site to take pictures of the pool and equipment room on another date/time?

Proposed Solution:

I am available 9/27, 10/1, 10/2 and 10/3 between 9:00-2:00. If this isn't possible, we will try and get someone else from our company to attend the walk.

Response from Owner:

Unfortunately we are not able to accommodate a request for a separate job walk.
