Question:

Could you please confirm if both types of statements are required, or if only one is necessary? If only one is needed, please specify which.

1. Reviewed Financial Statement
2. Audited Financial Statement

Can you please also confirm if the prequalification date will be pushed back?

Proposed Solution:

Response from Owner:

If your financial statements have been audited, please include those reports. If they have not been audited, reviewed statements are acceptable instead. Only include one or the other, not both.

The prequalification submission date will remain as published (on or before October 4, 2024).
