

Parmer Lane Elementary School
School Family Engagement Plan
School Year 2024-2025

Parent & Family Engagement Plan	
What is it?	Parmer Lane ES is committed to our vision and dedicated to high instructional opportunities for all students. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.
Parent & Family Meetings	Parent Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the library. You can enter through the blue west entrance facing Parmer Lane. The information is the same for both coordinating meetings and will be offered in person. Meeting times will occur in conjunction with our CAAC.
How to be involved	• Become a volunteer by filling out the application here: https://apps.raptortech.com/Apply/MjQyMzplbi1VUw== • Attend the meeting above and the family trainings/activities below • Talk to your child's teacher about how to help/volunteer in the classroom via their email or school phone.

Curriculum	Parmer Lane Elementary School utilizes high-quality curriculum that supports student success.			
Forms of Academic Assessments	Parmer Lane Elementary School has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by TEKS Resource System which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.			
Expected Achievement levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards Parmer Lane Elementary School tracks each child's growth throughout the year via local assessments (mentioned above). Each teacher has their own digital folder where they house students learning samples.			
Ways to Request regular meetings	Parents & guardians can bring any suggestions, ideas, or concerns to the monthly parent meetings listed above. However, if they need to meet with the administrators or their child's teacher at another time, they can email that individual person, or contact the office at (512)594- 4000, to set up a time to meet. We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome.			
School-Parent Compact	School's Responsibilities - Treat all students with dignity and respect. - Call parents to discuss academic, discipline, and attendance issues. - Prepare lessons that are rigorous and relevant. - Assign classwork/homework and record for completion.
