A Volunteer Training

- It is our expectation that all volunteers attend a one-time training session at least once.
- Training lasts approximately one hour and registration is not required.

DVUSD Volunteer Philosophy

The major goal of our volunteer program is to assist schools in providing the best possible education for each student.

The coordinated efforts of educators, parents and community members are key to ensuring student success.

Volunteerism is encouraged and supported in Deer Valley. We are grateful to the thousands of volunteers who work in classrooms, on playgrounds and in school offices daily.
