November 13, 2024

Dear Parents,

As you may have heard from your students and seen in construction for the past year, Victory is excited to announce the grand opening of our Performing Arts Center on Friday, December 13, 2024.

This event will be celebrated with a musical performance by our elementary students, junior high choir students, and high school choir and vocal jazz students. All students will be performing all of the songs to dedicate this building as one choir. Considering the amount of students performing, we will be having two performances. The first at 6 PM, and the second at 7 PM. All students must perform in both concerts. For organizational purposes, please indicate the number of guests that will be attending on behalf of your family. We will have lottery-assigned seating to ensure every family has enough seats for their party. Families will be seated together. There will be limited overflow seating at this event.

While your student is performing in the concert that you are not assigned to, the Music Department is hosting a silent auction and dessert bar in the attached gym to fundraise for the music program. The performance will also be able to be heard in the gym from the auditorium via closed circuit. We have had so many local businesses donate amazing items and baskets for this event. Please note that all silent auction purchases are tax-deductible, as Victory is a 501(c)3.

Thank you so much for your support. We look forward to seeing you on Friday, December 13th. Please fill out the attached RSVP form as soon as possible and we will be in touch with more details in the coming weeks.

Thank You,

Mrs. Ali Riley
