

HADDON TOWNSHIP BOARD OF EDUCATION

Broadcast

Dear Haddon Township School District Community,

Happy Friday! I am pleased to extend heartfelt congratulations to our Varsity Girls Soccer Team on winning the South Jersey Group 1 Sectional Championship—an extraordinary achievement and a testament to their hard work and dedication. This afternoon, our Boys' Soccer Team will compete in the South Jersey Final against Palmyra at 4 PM. We wish them the best of luck as they strive to secure another championship for Haddon Township. Let's rally behind them and show our support!

Update from the Haddon Township Education Foundation (HTEF):

The HTEF extends its gratitude to all who have contributed to the 2024 Week of Giving thus far. Your generosity has helped us raise over \$2,000 toward our \$10,000 goal. To help us get closer to this target, the Week of Giving has been extended through the end of the day on **Monday, November 18th**. This extension also prolongs the \$500 grant competition for the HT school that raises the most funds per student. As of this morning, Jennings leads the race, followed by Edison, RMS, Stoy, HTHS, Strawbridge, and Van Sciver.

The HTEF has proudly awarded over 100 grants totaling more than \$150,000 to support innovative educational experiences for our students. Please consider making a contribution—every donation, large or small, makes a meaningful impact.

Increased Police Presence Around Schools

As part of our ongoing commitment to safety and community engagement, you will notice an increased police presence around our schools during arrival and dismissal times. Increased school visibility is now possible after securing a new crossing guard services arrangement. By partnering with local police, school districts can strengthen relationships between law enforcement, school officials, students, and the broader community while enhancing safety during these critical periods.

Thank you very much for your continued support, and have a great weekend.

-Sincerely,

Robert J. Fisicaro, Ed. D. Superintendent
