Come see Rahway High School's Fall Production of ***CLUE: High School Edition!*** Join us for a throwback to the classic murder mystery board game of "Whodunnit?". Was it obnoxious and dramatic Mrs. Peacock in the Observatory with the Candlestick? Was it the suave and conceited Professor Plum in the Study with the Rope? Or was it the nervous and fidgety Mr. Green in the Kitchen with the Lead Pipe. Come watch our talented RHS students perform this hilariously wacky show with all your favorite characters, Mrs. Peacock, Mrs. White, Professor Plum, Colonel Mustard, Mr. Green, Miss Scarlet, and other zany characters.
