## 2024- 25 CCPS High School Parking Permit Application (page 2)

Carroll County Public Schools provides transportation to and from school for any student within the CCPS attendance zones. A school parking permit is a privilege, not a right, and student drivers are expected to follow and obey all school policies and rules.

### Parking Regulations

- While parked on school grounds, the permit must be visually displayed.
- The student driver will park only in designated student areas. Parking in faculty spaces or other restricted spaces is not permitted under any circumstances.
- The student driver will not be permitted to go to their vehicle during the school day without administrative approval. The permit that is issued is for the assigned vehicle(s) only. It is not to be traded or shared with other drivers.
- The student driver will immediately notify the school of any change of vehicles and/or license plate number.
- The school assumes no responsibility for vehicles on Board of Education property since all students are provided free public-school transportation.
- Please note that all vehicles are subject to search while on school property. Students are responsible for ensuring all contents in their vehicle adhere to CCPS school policies.
- Flags, decals/magnets, license plates and/or frames, and other automotive accessories shall not convey profanity or symbols/messages depicting, implying, or which are reasonably perceived as promoting intolerance, hatred, and/or a hostile educational environment or harassment/bullying on the basis of age, color, genetic information, marital status, mental or physical disability, ancestry or national origin, race, religion, sex, sexual orientation, gender identity or gender expression. This prohibition includes, but is not limited to, the confederate battle flag and swastikas.

### Driving Regulations

- The student driver will abide by the school regulations and policies, including a fifteen (15) mile per hour speed limit in the school zone. Reckless/inappropriate, etc. driving will be grounds for the driving privilege to be denied, suspended, or revoked. Examples of inappropriate behavior include, but not limited to, excessive speed, burn outs/squealing wheels, not obeying traffic signs, and failure to obey staff directing traffic.
- Students are to stop at all stop signs.
- Students are not allowed in the bed of pick-up trucks
- Parents are encouraged to refrain from allowing their child to drive to school on days when inclement weather is forecast, or road conditions are potentially unsafe.
- School buses have the right-of-way over student drivers in all circumstances on school property. Students must always yield to school bus traffic. Failure to do so may result in a revocation of driving privileges.

### Fines:

- A \$10.00 fine and/or disciplinary action may occur for any of the following infractions (per violation): Permit not displayed, parking in staff space, handicapped space, reckless driving, and/or unauthorized use of a permit.

The administration reserves the right to refuse or revoke the driving and parking privileges of the student who does not comply with any of the above-mentioned regulations. If this occurs, the permit must be returned to school personnel.
