Hahnville High School, home of the Tigers, was established in 1924 as an outgrowth of the original Hahnville Consolidated School. Throughout its history, Hahnville High School has been heralded as a progressive and innovative school. Quoted in the local newspaper at its 1924 opening, the first Hahnville High School was “modern in every respect and fully equipped.” With the support of a dynamic community which has placed education as a priority, we have been able to continually improve to reflect the ever-changing needs of the community by providing students with the best resources and educational experiences possible. With graduates spanning the globe, we will continue to equip students with the tools necessary to shape a community, state, country, and world.
