Director's Note

Welcome to Branthoover Auditorium!
Hi! I'm Katie Johnston (Miss Katie to most!)
I'm the Director for Fairport Harbor Theater this year
and I am extremely excited to present a
"Night of Shakespeare..... well Kinda!"
This evening will have two one act plays that pay homage to The Bard,
without the iambic pentameter or the confusing language.
Zombeo and Juliet is Romeo and Juliet with all the death and despair,
but a fun zombie twist and some sweet tunes!
And there's a surprise you won't forget!!
"Shakespeare's Got Talent" brings all your favorite Shakespeare
characters to a game show!
Will they get 3 X's??? Who will win the prize???
Sit back, relax and get ready to see Shakespeare done like no other
production!
Can you see all the nods to the Bard???

Senior Spotlight - Diesel

"Diesel" joined Theater in his Junior year, winning a Rotary for Best Male Lead as Walter "in The Plot Like Gravy Thickens." Diesel has performed in the aforementioned murder mystery & "Into The Woods." His enthusiasm and talent has been a pleasure to watch. When asked to tell us a bit about himself, this is what he had to say. " I love chicken alfredo, pastels, Frank Ocean and Daniel Ceasar. I love spending time with family and friends. In my free time, I love going for hikes, creating films, playing games with the boys, and playing with the pups. I LOVE YOU MOM!"

Senior Spotlight - Brenden

Brenden started Theater in his Sophomore year. He has performed in "Bad Auditions for Bad Actors", "The Plot Like Gravy Thickens", and was crew for "Into The Woods."
Brenden takes direction and makes comedy gold!
When asked about his theater experience, this is what he had to say. " I started in my Sophomore year, had some questionable moments, (Chris Farley channeling & hot flashes...don't ask), but I always just rolled with the punches! One of my favorite aspects of theater is the people, the people I have met in theater have become some of my closest friends. They can be silly but also have the ability to be serious and get what is needed done. As for myself I can be really goofy and am always ready to do whatever it takes to make people laugh!"

Senior Spotlight - Hannah

Hannah is our veteran actor, amongst the Seniors this year! She has been in "Mama Mia", "A Christmas Carol", "Freaky Friday" (the play that Covid stomped on), "Alice in Wonderland", "Bad Auditions, For Bad Actors", "Shrek", "The Plot Like Gravy, Thickens" and "Into The Woods."
She brings a maturity and whimsy to the stage. While her dream roles would be period pieces with amazing costumes and lavish sets, she still brings that same energy to every play she's in. When asked about theater, she said "I love writing and acting, and I try my hardest to be the best leader and role model I can be. Whenever I'm with the theater, I feel like I can be myself."

Senior Spotlight - Ace

Ace has been in theater for three years. She got her start as The Big bad Wolf in "Shrek The Musical." She then had roles in "The Plot Like Gravy Thickens" and "Into The Woods" where she played a Big Bad Wolf, yet again! Theater has really helped her get out of her box! Every year she has more confidence and shines brighter with every production. You can tell she enjoys it so much. When asked about theater, she had this to say. "I believe that theater is a great thing and everyone should try it at least once. It is a great place to express creativity and a good way to learn how to work with groups of people."
