School Goals

Beaverton School District promotes a deep sense of belonging while supporting, challenging and inspiring all students to explore their passions, achieve their goals and graduate ready to thrive in their learning and life after high school. To achieve these goals, the district and its schools will prioritize student safety and well-being, a strong start in early learning, achievement for all student groups including accessibility to dual language programs, and supports for post-high school success.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

To enable every student to thrive socially and emotionally, Beaverton School District is committed to promoting an environment where every student feels safe, included and valued. To achieve this goal, the district and its schools will create systems, structures and practices that build safe and inclusive learning environments including multi-tiered systems of support. Additionally, this school offers a dual language program.
