School Specialties/Especializaciones

Academies

(P-TECH / H-TECH / B-TECH / E-TECH / ECHS)

High school students in these programs earn up to 60 college credit hours and transferable associate degrees for free.

Career Institutes

High school students receive skilled training and instruction to enter high-demand careers and earn a living wage after graduation.

Dual Language

Students learn English and Spanish together with an emphasis on linguistic and cultural diversity.

International Baccalaureate

This program offers a unique continuum of instruction from pre-K through 12th grade, where academic rigor and intercultural understanding meet to develop inquisitive, knowledgeable, and compassionate lifelong learners.

Legacy School

Legacy Schools offer the best in excellence, innovation and tradition. From extracurricular activities and championship athletics to transformative programs such as dual language, personalized learning, STEM/STEAM, leadership academies, Montessori, and more, invest in your child and community by choosing a Dallas ISD legacy school! Be part of a rich legacy!

Magnet School

These schools offer theme-oriented programs that enable students to have in-depth educational experiences within a particular area of interest, like visual and performing arts, leadership, STEM/STEAM, communications, Talented and Gifted, and more!

Montessori

Designed with the independent thinker in mind, education is supported by multi-age grouping, choice of work, and social-emotional learning.

Personalized Learning

This approach supports scholars in their academic journey to become self-directed learners and solve relevant problems in today's society.

Pre-K Program

Dallas ISD pre-K campuses are designed to establish a strong academic foundation tailored to a child's specific interests, learning styles, and aspirations.

Project-Based Learning

Students explore problem-solving, collaboration, and various forms of communication, empowering innovation and entrepreneurship.

Single Gender

Confidence, character, and leadership skills are prioritized with this gender-specific model.

STEM/STEAM

Scholars engage in hands-on activities to develop skills for careers in high demand in the areas of science, technology, engineering, art, and mathematics.

Talented & Gifted

These programs offer exceptional academic rigor that is designed to support each student's intellectual, creative, and leadership abilities.

Transformation School

Innovative instruction and creative thinking are the foundation of these newly designed programs with a lottery-based enrollment.

Visual and Performing Arts

In this nationally recognized program students experience a combined love for fine arts and high-quality instruction.

Academias

(P-TECH / H-TECH / B-TECH / E-TECH / ECHS)

Los estudiantes de preparatoria obtienen hasta 60 horas de crédito universitario y grado de asociado gratis.

Institutos de Profesiones

Los estudiantes de preparatoria reciben enseñanza y entrenamiento especializados para entrar a una profesión de alta demanda y ganar un sueldo digno al graduarse.

Lenguaje Dual

Los estudiantes aprenden inglés y español al mismo tiempo con un énfasis en la diversidad lingüística y cultural.

Bachillerato Internacional

Este programa ofrece un método único de enseñanza continua desde prekinder hasta 12º grado en donde el rigor académico y el entendimiento intercultural se unen para desarrollar individuos inquisitivos, conocedores y compasivos que aprenden de por vida.

Escuelas Legacy

Las escuelas Legacy ofrecen lo mejor de la excelencia, innovación y tradición. Desde una variedad de actividades extracurriculares y campeonatos deportivos, hasta programas transformativos como lenguaje dual, aprendizaje personalizado, STEM/STEAM, academias de liderazgo, Montessori, y mucho más. Invierta en su hijo y su comunidad eligiendo una de las escuelas Legacy de Dallas ISD. ¡Sea parte de este rico legado!

Escuelas Magnet

Estas escuelas ofrecen programas temáticos que permiten a los estudiantes tener experiencias educativas profundas dentro de un área particular de interés, incluyendo las artes visuales y escénicas, el liderazgo, STEM / STEAM, las comunicaciones, para talentosos y dotados, ¡y más!

Montessori

Diseñada con el pensador independiente en mente, la educación se basa en grupos de estudiantes de distintas edades, la libertad para elegir el trabajo y el aprendizaje socioemocional.

Aprendizaje Personalizado

Este método apoya a los estudiantes en su camino académico para convertirlos en estudiantes autónomos que resuelvan problemas relevantes de la sociedad de hoy en día.

Programa de Prekinder

Las escuelas con prekinder de Dallas ISD están diseñadas para los intereses, estilos de aprendizaje y aspiraciones específicas de un estudiante a fin de crear bases académicas sólidas.

Aprendizaje Basado en Proyectos

Los estudiantes exploran la solución de problemas, la colaboración y distintas formas de comunicación, para fomentar la innovación y el espíritu empresarial.

Un Solo Género

La confianza, el carácter y las habilidades de liderazgo son la prioridad de este modelo diseñado para un solo género.

STEM/STEAM

Los estudiantes participan en actividades prácticas para desarrollar habilidades para carreras de alta demanda en las áreas de ciencia, tecnología, ingeniería, arte, y matemáticas.

Talentosos y Dotados

Estos programas ofrecen rigor académico excepcional diseñado para apoyar las habilidades intelectuales, creativas y de liderazgo de cada estudiante.

Escuelas de Transformación

La enseñanza innovadora y el pensamiento creativo son la base de estos programas recientemente diseñados con inscripción basada en el sistema de lotería.

Artes Visuales y Escénicas

En este programa reconocido a nivel nacional los estudiantes desarrollan un amor combinado por las bellas artes y la enseñanza de alta calidad.
