Teachers must be teaching the classes to receive the stipend. Full-time teachers will receive a full stipend and half-time teachers will receive half the stipend. A teacher who receives their certification during the school year and is teaching the required classes will receive a pro-rated stipend.

"A Probationary certificate is applicable for the first year of employment in order to receive the stipend. To continue to receive the stipend your second year, you must have a standard teaching certificate in the subject area you are teaching. Distribution of stipends is subject to CISD administration approval."
