Student - Teacher - Parent - Administrator Compact

Each elementary school is committed to provide each student with the tools necessary to successfully meet the challenges they will face in a diverse world. We understand that our families, school staff, and community create the educational environment necessary to accomplish this task. As a result we have jointly developed this Compact to be read, agreed to, and distributed to our entire school family. We ask that you agree to do this by signing and dating the portion of the Compact that applies to you.
