

PACT Meeting:

Introduction: make middle school years “memorable”

Every parent/guardian member as being part of PACT.

School Update:

- ☐ General Start: enrollment is continuing to grow, new students every day.
- ☐ 1605 students, over 5 years projection, up to 1700 mark.
- ☐ Boundary Changes for middle school and new elementary
 - Will not change our numbers, but create for more room
 - Continue to hover in the 1600 range
 - Elementary is 2026-2027
 - 8th graders will be grandfathered in to stay in the same school, but maybe not younger siblings.
 - No open enrollment within district
 - No external open enrollment
 - “Soft close” some enrollments approved
- ☐ **Lockdown**
 - Incident moved outside with escalation outside the front doors
 - Not sorry for calling a lockdown. I would do a secure or a hold
 - **HOLD**-keep kids in the classroom, school as normal, no one passing
 - **SECURE**-external, police activity in the neighborhood
 - **EVACUATE**- if we have to leave
 - **SHELTER**- weather related
 - **NO THREAT TO OUR SCHOOL**
 - Little Information-spends a lot of time with district administrators who keep it minimal, and we can’t share. Keep it very minimal.
 - Are teachers notified? Staff, get on the speaker and check your email.
 - What are we telling the kids?
 - Advisory teachers will assist with explaining to the kids
 - Parent support at home
- ☐ **Levy Passed**
 - Media Center will have some work done
 - New Cafeteria floor
 - Atrium windows (no more leaking)
 - New Auditorium seating and flooring/new curtains

☐ **Cultural Displays**

- Working on indigenous people/district staff to get pictures
- Building was able to buy a total of 5 displays to get content
- Sub-committees on working to get pictures (will take time)
- Highest traffic hallway in the school, learn about traditions/actions/QR code to make them interactive.

☐ **AVID**

- An AVID elective class-selection process to get into
- AVID Launch-every 6th grader will have AVID/organizational skills
- Train all of our staff in wicker strategies the teachers implement into their class.
- 32 Educators from around the country to learn about what we are doing and visit the classroom. “I want to be a school that people want to come to and see what we are doing. That means we are doing something right.”
 - Can we ask Julia Fromm to come in and talk to parents about the process for AVID in 7th and 8th grades.
 - How the selection works?
