

2024-2025 Brookhollow Elementary School-Home Compact

The purpose of this compact is to serve as an agreement between students, teachers, and parents clarifying what we can all do to help the children at Brookhollow Elementary School become empowered problem-solvers and passionate learners. It is a reminder of our responsibilities to ensure children will learn.

This compact (was) written collaboratively, with input from students, teachers, and parents.

Student Pledge: I will...

- Let my teachers and parents know when I need help.
- Take responsibility for my work and behavior.
- Take responsibility for showing my school-to-home binder to my parents.
- Lead by example.
- Welcome new students to our school.
- Commit to our school being No Place for Hate.
- Follow my ROAR:
 - “Here at Brookhollow When We Are Safe Respectful and Responsible We ROAR!”

Student signature: _____

Teacher Pledge: I will...

- Establish open, regular communication with each parent, through phone, email, and/or face-to-face contact.
 - Set high expectations of success for each child and communicate those expectations to parents. •
- Create an environment where students are full partners in their learning.
- Monitor student progress regularly and utilize a variety of instructional practices to ensure student progress.
 - Continuously improve teaching strategies to better serve all students.
 - Work with parents in a way that is professional, and genuine and takes into consideration the whole child and their individual strengths and needs.

Teacher signature: _____

Parent Pledge: I will...

- Make every effort to have my child at school each day on time, and keep my child at school the entire instructional day.

- Read with my child nightly, assist with homework, check the school-to-home communication binder, and extend learning at home.
 - Participate in and support school activities, including parent-teacher conferences, special programs, etc. •
- Contact my child's teacher when I have questions about my child's progress, the assignments, or any other concerns.
- Respect our teachers and school rules with courtesy and patience.
 - Value education and those who provide it to our children.
