Healthy Boundaries

School Presentation Permission Forms & Parental Notification

Decisions, Choices & Options (DCO) is a Sexual Risk Avoidance (SRA) education program working in complete and total compliance with all state laws and local curriculum standards regarding the content of sexuality education, and works in conjunction with the local school system to provide exceptional instructional resources to students on abstinence education, the true costs/consequences of teen pregnancy, and the need to avoid these devastating outcomes. DCO educates students on the importance of putting healthy boundaries in place to protect their self-esteem and future. We discuss the dangers of social media, cyberbullying, sexting, and the harmful effects of pornography. We also look at adoption as an option a teen would have in an unplanned pregnancy situation by providing statistical and factual information.

Our goal is to:

Provide students with facts and an understanding of their value and worth, help teens understand the impacts and consequences of their choices, and equip youth with the skills and tools they need to make decisions now that lead to success in all areas of life.

PLEASE CHECK AND SIGN IF YOU WOULD LIKE YOUR CHILD TO **OPT-OUT AND RECEIVE AN ALTERNATIVE ASSIGNMENT:**

I allow my child, _____ (child's name), ___ to opt out of participating in the Decisions, Choices & Options presentation.
