CELEBRATIONS AND CLASSROOM NEWS!

Our Howard High School Future Business Leaders of America (FBLA) students recently had the wonderful opportunity to volunteer at the Fall Festival hosted by McKibben Lane Elementary School.

The students dedicated their time and efforts to assist with various activities throughout the festival, helping to create a joyful atmosphere for children and families in our community. Their hard work and enthusiasm were truly commendable and made a positive impact on the event's success.

HUSKIES PREPARE FOR MOCK INTERVIEWS!

Members of the Epsilon Beta Lambda Chapter of Alpha Phi Alpha Fraternity, Inc. assisted students in Mr. Hall's End of Pathway class prepare for their annual CTAE Mock Interviews this week. Their support and guidance were invaluable in helping the students build confidence and skills for their upcoming interviews. One member, Thomas "Trey" Chambliss, III, a 2018 graduate of Howard High School, shared his personal experience with students on what job seekers are searching for in potential employees.

Thank you for your continued support of our students and community.

Students may request print copies by emailing attachments that are school related to:
tyveshe.johnson@bcsdk12.net and stanley.tolliver@bcsdk12.net

MEDIA LITERACY AND YOU

A digital citizen is a person who develops the skills and knowledge to effectively use the internet and other **digital** technology, especially in order to participate responsibly in social and civic activities.

Why It Matters

Being a good digital citizen is important because our online actions can have real-world consequences. As technology continues to evolve, understanding digital citizenship helps us contribute positively to the digital community and prepares us for future opportunities in an increasingly digital world. Practicing digital citizenship ensures we are respectful, informed, and responsible users of technology.

LAPTOP INFORMATION AND CARE

•Students are not allowed to use personal devices at school. All students must use a school issued device during the school to complete assignments. Visit the media center to check out a laptop if you do not have a school issued device.

***Remember to bring your charged laptop to school daily and keep up with your charger!**

*Always keep your laptop closed when you need to walk with your laptop and it's not in the carrying case.

•Never carry your laptop while open or lift the laptop by the screen/monitor! Handling your laptop in this manner can damage your screen.

•Do not place paper/objects between your keyboard and monitor, it will crack your screen!

•Keep drinks and liquids away from your computer. A spill can damage the hard drive and the motherboard. These type of damages may cost the same price as a new laptop to replace, Please be careful!
