SCHOOL INFORMATION: The District runs on a 4-day school week. We just finished building a new athletic facility/gym in 2018. Custer is a small rural community that is located about 50 miles east of Billings along I94 on the way to Miles City. Custer is 30 miles north of Hardin. Our current enrollment stands at 107 students K-12. The staff works closely together with the parents and community to form a family friendly atmosphere. We strive to improve the learning environment for our students.

To apply, please submit a letter of application, resume, 3 letters of recommendation, university transcripts (copies are fine), and a completed district application.
